Charlton St Peter and Wilsford Police Report. November 2016

The Community Policing Team (CPT) model commenced in this area on 17 October 2016 and will be followed by Swindon on 7 November 2016.

These follow a successful trial of the new model in Trowbridge, Warminster, Bradford on Avon, Westbury, Tisbury and Mere.

CPT combines Neighbourhood Policing, Response teams and Local Crime Investigators so there is a “one team” approach to community policing. It means there is a bigger team of officers and police staff available to attend incidents and improves communication between teams and departments. It gives the public a better service because issues can potentially be resolved at the first point of contact (101 and 999 call-takers) and provides them with a named officer/police staff member who they will be able to keep in touch with during the investigation. It also encourages officers and staff to take more “ownership” of cases.

There are seven Community Policing Teams: Swindon North, Swindon West, Swindon South, Wiltshire North, Wiltshire West, Wiltshire East and Wiltshire South. Devizes comes under Wiltshire East area.

Each Community Policing Team is overseen by a Superintendent and has an Inspector and a Deputy. The team will be made up of a mix of police officers, community co-ordinators, PCSOs, civilian local crime investigators and Specials.

We will be engaging with the public after the roll-out and will welcome feedback about the new model. Please speak to your local officers to find out more about how Community Policing is affecting your local area. You can also find out more, including videos and infographics explaining the new model, on our website <http://www.wiltshire.police.uk/information/community-policing-pilot>

Our free Community Messaging service will also help keep you updated about policing and crime in your local area <https://www.wiltsmessaging.co.uk/> Please join if not already done so.

CPT - Current Priorities & Consultation Opportunities:

Traffic matters.

In response to ongoing complaints from members of the public, Parish Councils and Speedwatch Teams our Policing Team will be focussing upon traffic matters, particularly speed enforcement, via the use of UNIPAR devices. Positive action has been requested of our team members concerning the issue of fixed penalty notices and reporting for summons offending drivers accordingly, together with words of advice for minor infringements. Such engagement with our motorists for this period may assist in reducing risk and keeping our communities and road users safe.

Details of actions completed will be documented within our priority investigation log detailing location, times, dates and disposal summaries.

Non-dwelling burglaries Pewsey villages.

In recent months there has been an increase in non-dwelling burglaries to farm and other outbuildings in the Chisbury, Burbage, Savernake and Charlton area. In addition to their investigations our policing team are conducting targeted patrols to relevant areas and engaging in stop searches of vehicles and persons when grounds to do so.

These priorities will continue until the end of December 2016.

Community Consultations.

In relation to our Community Consultations; members of our Police Community Support Officer teams will be attending The Bouverie Hall in Pewsey once per month, to the local Tuesday market. We will continue to provide a monthly presence at this event in addition to our local policing of the east Wiltshire community.

It is also our intention to reinvigorate the local Neighbourhood Tasking Group, to ensure that we are tackling the issues that matter most to the local community.

Community intelligence is the cornerstone to successful policing outcomes. Please continue to report via 101 and directly to your local officers.

Any relevant series for October 2016

None identified for this area. Further afield we have been investigating three thefts of purses and wallets from elderly victims whilst shopping in Waitrose during October 2016. Enquiries are continuing.

Local Crimes

Other notes:

- It would appear that at least some of the costs for any elections in the future may well have to be covered by us, so I suggest we keep this fact/rumour in mind when making future decisions regarding precept figures.
- This is the position as of 06/11/ 2016
- Insurance premium actually less for better cover.
- Wyvern account was created some years ago when the P.C. had an ambitious plan to create a chalk figure on the side of the hill facing towards Devizes. Chalk figure never came to fruition but the account remained attached to the P.C. accounts. Unless anyone objects I intend to leave it under this name.
